1. Captain's Report

To say it has not been the year I expected is an understatement but we have got through it and I hope 2020/21 proves to be a better experience.

First, I must thank my Committee for their support throughout what has been a difficult year. My Vice-Captain, Richard Palmer, Secretary, David Ramsbottom, Treasurer Keith Hawke, Past captain Colin Earle, Seniors Open organiser Dereck Stephens and "Super"Senior reps David Balmford and Tyrell Sandry have all proved up to the challenges we have been set and I hope you are all happy with our progress to date. I must also thank you, our loyal Seniors for your support and help.

We managed 3 matches before the "lockdown" in March, all Home fixtures against Bowood, Truro and Launceston and went into the "Closed" period with three victories to our credit. Sadly, on restarting, we

then lost our next 2 away fixtures at Lanhydrock and Launceston so, currently, we are “Won 3, lost 2” with one more fixture, Burnham and Berrow on 12th October still to play.

Internally, we managed to finish the Winter Eclectic (Just before the Summer finished!) and the Stableford League with 9 rounds played but the Summer Eclectic was the victim of Coronavirus. Congratulations to Vice - Captain Richard Palmer who won both the Stableford League and the Winter Eclectic. Full results were in my emails of 14th and 25th August.

Although we managed a successful Duck Dawdle in November last year sadly, the Lamb Gambol was another Corona victim. Hopefully we may be able to manage something for the Duck Dawdle this year but, at present, I doubt it will be the normal format.

Finally, the Dudley Watts was won by Simon Marquis and the Len Howarth by Chris Newman as reported in my last email. In the absence of any ability to present prizes I will just say “Congratulations” to all participants in all our events of a very strange year.

On the Admin front I have been very pleased with the way we are all getting to grips with the iG Technology and I am hoping that, by the time the WHS handicapping system starts on 2nd November, most of the Seniors will

be familiar with “signing up” on the website and entering scores on the App. I suspect we will just about get everyone “onboard” when the Virus relaxes it’s grip and we can, once again, enter scores on the Clubhouse Terminal. In the meantime the App will be our favoured method as the WHS system comes into effect.

I am sorry that we were unable to hold our AGM but I hope you are all happy that we have decided to continue for another year without changing the Committee.

For myself, I am hoping that we can all use the new technology as it does make the organisation of our Mondays and other events much easier. One other aspect which I am hoping to promote during next year is the reduction in the number of Seniors who are ex-directory on the Club website. Of course, if you genuinely wish to be ex-directory, that is fine but I suspect that a lot of our members have not unticked the appropriate box on the “Preferences” page of the “Virtual Clubhouse” because they do not realise it’s effect. Please do check that you have unticked the box as it makes communication much more difficult as our old diary becomes more and more out-of-date.

Let’s all hope that next year is better as we have a full diary of events planned and do contact me if you have

any queries or wish to discuss any aspect of our management of our Seniors group.

2. Secretary's Report

It has been an odd year to say the least, therefore not a lot to report !

Since lockdown, we have had a very strong support from most of the Senior Section, with excellent turnouts. I think a big vote of thanks is due to our Captain Geoff, who has worked extremely hard to bring this about. Because he has had to basically organise every week's activities, his work load has been much higher than a normal Captain's year. Not only that, he has driven through the improvements we were always going to have to accept in this electronic age, notably introducing the IG system for signup and now for entering our scores on line and vastly improving online communications.

As you know, there has been overwhelming support for the existing Committee to continue for another year and I am pleased that I will be working again with Geoff and the team.

I have recently submitted all our fixtures for next year for inclusion in the Club Diary (if you have ordered one - which you need to do). This year has been quite difficult to organise, because of the way things outside our control have fallen eg bank holidays and County

week etc, as well as the restrictions on not playing home matches on bank holidays, or in July and August.

That is why some of the dates might appear to be illogical. The home matches against Tehidy and Perranporth have not yet been agreed, as I have not heard back from them.

I hope that the new Seniors year will soon be back to as normal as it can be and that you enjoy your golf.

4. Holywell Report – Supers - 2019/20

1. Not a good year for any St Enodoc member but more so for those who play mainly on the Holywell; a lot of us were shielding and didn't play at all for three months. However things got a lot better latterly.
2. The Eclectic was finalised after only four rounds due to covid and resulted in triumphs for Dermott Studd who won the net prize and David Balmford who got the gross. The recent Len Howarth proved a magnificent day and a win for Chris Newman who scored 43 points.
3. Over the year the Holywell has had many changes. Approval was somewhat varied amongst the Supers - some high – some low. The changes, in the writer's opinion, have resulted in a slight easing in the difficulty of the course.
4. Generally a moderately successful year with a slight increase in numbers but we all look forward to better things to come.
