BRING YOUR G8ME

World Handicap System (WHS)
Coming into play 2nd November 2020

Handicap Index

Golfers in England will now have a Handicap Index, calculated from the best eight rounds from their last 20 scores. A Handicap Index is portable on any course around the world and will promote inclusivity within the game.

To find out more on the WHS visit:
englandgolf.org/whs

   #KNOWTHESCORE

On Saturday Sept 5th and 12th committee members will be on hand to explain aspects of the World Handicap System coming in November. Due to the WHS and covid19 there are also other changes planned to the way in which competition scoring is registered as guided by England golf. We will endeavour to answer questions and offer solutions. As far as completing a score on line you might like to look at the helpful videos Caroline Hume- Kendall has recorded that are on the club website under virtual clubhouse and then extras, or by clicking the links below.
