Details of **Ladies** **Competitions**

amended

JANUARY 2021

LADIES COMPETITION DETAILS – UPDATED JANUARY 2021

Intelligent Golf

(this document needs regular updating as and when decisions are made by the committee regarding competitions).

Please be aware of current Entry Fees and Prizes policy, the Summer and Winter Eclectic Competitions policy of February 2014 and Knock-out policy adopted in June 2018 which all must be referred to in conjunction with this document and can be found in the appendices at the end of this document.

The Competition Secretary is responsible for administering all Medal, Stableford and Par competitions plus the Cups, Mail on Sunday, Daily Mail foursomes qualifier, The Stableford Salver, The Roworth Salver, The Coronation Foursomes, The Winter foursomes knockout and all the other Knockouts as well as the fun competitions. The VETS run the Grandmother's Coaster, VETS Championship and the Chris McCormick Cup supported by the Competition Secretary and IG.

All competitions meeting the criteria of authorised formats of play are acceptable for handicap purposes – this will be posted on IG under the summary of the competition.

The Captain and Committee are responsible for the Club Days, (although these are generally run by volunteers), the Spring and Autumn Meetings, the Open Days, League and Friendly matches, the Past Captains Day and the Invitation Day.

Online sign-up sheets for the Ladies blocked times are available from 3 weeks prior to the competition date. If necessary, tee times can be booked outside these blocks by calling the office. Knockout competition tee times can be booked 3 weeks prior to the competition date **via the office** (not at reception or online)

Start sheets for competitions – most of which are played on both courses unless specified otherwise, are available to be viewed on the IG system up to midnight the day before the competition. Results can be found online once the competition has been finalised and a monthly list of prize winners will be displayed on the board. Prize monies will be credited to the players accounts in the Pro Shop.

Entry to all competitions will be paid on booking a tee time. **An individual will only be deemed to have entered when the appropriate fee has been paid. Refunds will be made if an individual is unable to play on the day.**

All qualifying competitions are played off the red tees on the Church course and the tee of the day on the Holywell in accordance with WHS rules Appendix G subsection e. Green keepers should be given the necessary dates by committee.

Entry Numbers: **Eight** players constitute a competition when playing for a Cup whilst **two** players constitute a competition when not playing for a cup.

At 23 August 2011 meeting it was decided “A competition card must be marked by a playing partner entering the competition; in exceptional circumstances only can it be marked by a member with a handicap who is not entering the competition”.

At 5 February 2013 meeting it was agreed that “For competitions where a person or team win and are nominated to represent the club e.g. Daily Mail Foursomes, Coronation Foursomes, Vice

Presidents Cup, etc and then are unable to play due to unforeseen circumstances the runners-up in the original competition are then asked to go through instead. If they are unable to take that place, then the next to be asked will be the person who was defeated by the runners-up and so on in count back order”.

2017 – Marking Cards - Exceptional circumstances are deemed to be situations where a player has entered a competition and their playing partner withdraws or does not arrive and they are left without a card marker. Another player may accompany the player in the competition to mark their card, but that player is not then obliged to also enter the competition. This arrangement is only acceptable when the situation arises at the last minute and not by prior arrangement.

2020 – In consultation with the Club Captain it was agreed that there would be a set of rules for competitions applicable to all members of St Enodoc (see appendix 1). The committee agreed with the ‘new’ rules which included an alteration to the above rule regarding marking of a card – the new rule reads “A competition card should, wherever possible, be marked by a fellow competitor. However, where this is not possible the marker must be a member of the club and hold an official handicap”.

For all Competitions players are able to sign up three weeks before the competition date.

Cards are processed by IG and the Competition Secretary. A list of results is passed to the pro-shop for prize money to be credited to prize winners accounts.

Copy of results is boarded and processed online.

Knockout Competitions are available for sign up 6 weeks before start date.

See Rules for Handicapping Rule 2 - Scores acceptable for Handicap purposes – Appendix 6 shows the “authorised formats of play”.

MEDALS

Entry fee as per current **Entry Fees and Prize Fund** document – Appendix 2

The England Golf Union states:

The Committee must run a minimum of four and up to twenty-four stroke play competitions for the EG Medal awarded annually to each affiliated club. Any, or all, of these competitions may be played in conjunction with a club stroke play competition, as authorized by the Committee.

This means that we can run as many Medals as we like on either course but no more than 24 will count as EG Medals, any more than 24 are normal medals. Medals normally run on Tuesdays.

Also, although it has been decided that club policy is to limit the handicaps to 28 (for ladies) on the Church course, we must allow all players with a handicap to play in any EG Medal on either course.

The best 4 nett EG medal scores in a year will qualify for the Regional final each year (see page 15).

All medals will have the recommended playing allowance of 95% of course handicap.

STABLEFORDS AND PARS

From 2nd November 2020 All Stableford's and PAR Competitions will have the recommended playing allowance of 95% of Course Handicap

Entry fee as per current **Entry Fees and Prize Fund** document – Appendix 2

N.B. Venerable Vets

The Ladies Committee decided at the 4 May 2010 meeting to award a Venerable Vets prize of a £5 voucher to the best VV in each monthly Stableford competition on the Holywell course. All year round any lady of 75 years of age or over can qualify for the Venerable Vets – they must mark their card clearly with a **VV**, the office will award the prize (money comes from Ladies Section). There must be a minimum of 3 (changed from 2, 12th November 2019 committee meeting) Venerable Vets in the competition. The VV is also eligible to win the main competition as well.

On 28 May 2013 meeting this was extended to the Church Course to include medals and pars and must be 18 holes.

July 2020 – the prize money awarded to the VV's will be credited to their 'gold card' at the end of each month. Due to the Covis-19 Pandemic there is no need to enter VV on the card, the Competition Secretary has an up to date list of eligible ladies.

August 2020 – the committee agreed the rules for VV monies, and it was to be over 18 holes and applicable to Stableford, Medals and PAR competition but not Cups/Trophies.

STABLEFORD SALVER

Entry fee as per current **Entry Fees and Prize Fund** document – Appendix 2

The Stableford Salver is held on 10 designated Fridays, played in 2's or 3's, between October and March.

August 2020 – The Committee decided (following discussions with Jan Derry) that the scoring for the Salver would appear on IG and classed as an Order of Merit with the winner receiving 20 points, 2nd 18 points, 3rd 16 points down to 10th place. The overall winner would be the player with the most points gained from their best 5 scores out of 10. If there is a tie for the overall winner or runner-up, the winner will be the player with the most 20s.

- The winner of the day receives prize as per current Prize Fund document.

History of Stableford Salver

Jan Derry presented this trophy in 1997.

Up to 2004 - qualifier on Full handicap

2005 - Non-qualifier on $\frac{3}{4}$ handicap (trial)

2006 - Reinstated as qualifier on full handicap in accordance with CONGU rules

11th December 2012 meeting it was agreed "the Friday Salver should not be reduced to 12 holes on any occasion". Also, that none of the dates should be substituted once the competition has begun.

13th May 2014 meeting it was **agreed that it could be played over 12 holes when necessary** due to adverse weather conditions. Decision will be made by a committee member or the office first thing

before morning play. See minutes of 13th May 2014 (Approved by Mrs Derry). Confirmed in minutes 22nd October 2019).

ROWORTH SALVER

Entry fee as per current **Entry Fees and Prize Fund** document – Appendix 2

The Roworth Salver is played on 10 designated Sundays throughout the year and is an Order of Merit series played in 2's or 3's. The competition is played over 18 holes with the winner gaining 20 points and all other entrants receiving points according to how many points they are behind the leader (e.g. winner with 32 stableford points get 20 salver points, 2nd place with 28 stableford points receives 16 salver points (32-28 = 4 which then means 20-4=16). If there is a tie for the overall winner or runner-up, the winner will be the player with the most 20s.

- The winner of the day receives prize as per current Prize Fund document.
- The winner of the series is the player with the best 5 scores.

Sue Roworth presented this trophy in 2010.

8th November 2016 – It was stipulated that this competition must always be played over 18 holes.

The Competition Secretary or the office will work out who has the best 3 scores in the series. The competition normally starts in April.

There is a winner of the day and the overall winner receives a cup and has vouchers credited to their account following the AGM.

If there is a tie for the cup i.e. players have the same overall score, then it is the best card which wins.

Entry fee and prize as per current **Entry Fees and Prizes** document – prize is always greater value than normal cups because the current club President had always donated it, but in recent years whilst it has remained higher in value it has ceased to be given by the President. (Once upon a time a bottle of whiskey from House of Commons was donated too). The winner of this competition would be the person we should first consider representing the club in any external match-play competitions off scratch.

WILLS CHURCH REPLICA/ WILLS HOLYWELL REPLICA /WINTER FOURSOMES

Foursomes matchplay played off half combined handicaps.

Entry fee and prize as per current **Entry Fees and Prizes** document – Appendix 2

Knockout competition; two competitions, one on church and one on Holywell. Small cup given for Holywell.

Church winners to represent St Enodoc Golf Club in The Daily Mail National Tournament

Started as a round robin competition but was decided in 2008, due to lack of entries and failure to play all matches, that this should be a knockout. (In 2010 it took approx 6 weeks per round).

For 2012 it was reinstated as a round robin as a trial. (Not a success)

If played as a round robin:

The number of entries determines the number of groups, if more than one group, the winners of each group go into a play off. All matches must be played to a conclusion and 1 point for a win, NO POINTS TO BE GIVEN IF MATCH NOT PLAYED. In the event of a section tie – the winners of the match between tying pairs will go through.

Since 2013 has been played as a knockout competition under normal knockout conditions - see Appendix 2.

2017 – Holywell competition played as a Round Robin (as above) due to low numbers.

CUP COMPETITIONS

Entry fee and prize as per current **Entry Fees and Prizes** document – Appendix 2

All cup competitions are played on the Church Course except for the Beason Cup, Dingle Trophy, Neale Trophy these are run on the Holywell. The Grandmothers Coaster is run on both the Church and Holywell Course which is a VETS competition. Other VETS Competitions are the VETS Championship, the Chris McCormack Trophy and the Centenary Knockout Trophy.

There is a minimum of **8 players** required for a cup competition to be valid.

As from 2nd November 2020 all Stableford's and Medals will have a playing handicap allowance of 95% of Course Handicap.

CLUB CHAMPIONSHIP CUPS

ST ENODOC LADIES STROKEPLAY – Scratch winner (Formerly the Barbara Robson Trophy)
36 hole medal – Club Champion

FOSTER CENTENARY TROPHY – Handicap (donated by Sue Foster)
36 hole medal – nett prize

Both:

2005 - 18 holes

2006 - 36 holes

2009 - 36 holes (has remained as 36 holes ever since).

In 2009, after poor entry, Mrs Robson and Mrs Foster agreed that this competition does not **have** to be over 36 holes, but we kept it as 36.

In 2015 it was proposed that the Club Championships be changed to 36 holes over a weekend rather than on one day as a trial over 2 years. Due to diary clashes this did not happen, but the competition was played over two separate weekends.

In 2016 the championship weekend was set as proposed in 2015. As a result of changing from 36 holes on one day to two days Mrs Robson elected to withdraw her trophy.

A new trophy was purchased by the club for the Ladies club champion (scratch winner).

BARBARA WILLS TROPHY

Most improved Nett score between the two rounds.

This trophy started life as a bronze prize but due to lack of interest in **2010** it was made into an 18 hole competition following the first round of the 36 hole competition.

Due to low numbers it was revised again in **2011** to become a prize for the best net 18 holes out of all cards submitted for the day. This caused problems with the CSS so in **2012** it was amended to be a prize for the most improved net score between am and pm.

2016 became most improved score between the 2 rounds over the weekend.

Entry fee and prize as per current **Entry Fees and Prizes** Appendix 2.

No one can win more than one prize. Winner of a cup takes precedence over the runner up so if a player is 2nd scratch and 1st handicap they win the Handicap Cup.

OTHER CUPS

ORANGEFIELD CUP/WILLS SALVER

Presented by Miss Helen Campbell and her sisters, and first played for in 1924. The cup being named after part of the family estate at Prestwick in Scotland. Their father Major LG Campbell was continuously looking after "The Course" in the early 1900s

Dana Bowl presented in 1922, Neale Cup in 1928, Neale Trophy introduced in 2010.

6th June 2017 – Ladies Committee agreed that there will be a requirement for there to be 8 players in each division for these cups to be awarded. Each cup will be awarded independently of the other, i.e. if 8+ Silver players participate but only 6 Bronze then the Dana Cup is awarded but not the Neale Cup and vice-versa.

The Ladies Captain/Competition Secretary shall decide whether the competition is to be rescheduled depending on the reasons for original lack of participation.

No one can win both cups and winners of a cup take precedence over runners up, so if a player is 2nd in scratch and 1st in handicap she wins the Handicap cup.

With the introduction of the World Handicapping System on 2nd November 2020 and as part of the system all rounds of strokeplay count towards a player's handicap, both rounds of this competition are qualifying rounds

DINGLE TROPHY

Awarded by Di Dingle in 2000

A Handicap Cup (lowest Nett score) awarded.

Played on the Holywell course alongside the Crouch Cups

An Eclectic 36 hole medal competition played over 2 separate days – 95% allowance of Course Handicap

With the introduction of the World Handicapping System on 2nd November and as part of the system all rounds of strokeplay count towards a player's handicap.

If a tie occurs the decision for the winner is made on the combined back nine scores of both rounds.

Originally introduced to run alongside Crouch Cups (as above) to bring Church and Holywell players together on a Sunday.

2016 - after declining participation in recent years and insufficient numbers signed up for Sunday competition this year, the competition was rescheduled to Tuesday's and ran successfully. Mrs Dingle was subsequently consulted as to whether to revert to Sundays as per her original idea or to schedule for Tuesday's; she was happy to move the competition to Tuesday's to sustain participation.

2017 - scheduled to run on the same day as the Church course Hi-Lo Greensomes for the first round and on the June Open Day for the second round.

2020 – Several ladies who would normally play in the Dingle Trophy played in the Hi/Lo Greensomes, it was therefore decided that for 2021 the rounds of the Dingle Trophy would be played as follows:

POLICY FOR CLUB KNOCKOUT MATCHES

**In order to encourage greater participation please would all players do their utmost to arrange matches quickly and with minimum fuss.
Cancellation of arranged matches is discouraged.**

Handicaps

November 2020 – The introduction of the WHS means that the handicap a player uses for calculating the strokes received or given is the Course Handicap

Singles – Full difference

Foursomes – Half the difference of the aggregate Course Handicap of either side

Fourball Betterball – 90% the difference of player's full Course Handicap to the back marker (lowest handicap player)

Tees As defined on the competition draw

Arranging Matches

The draw should indicate (1) the name of the competition and the course, (2) the dates for each round - usually 3/4 weeks per round, (3) the handicap allowance and (4) a statement about the responsibility of players to arrange matches by the due date as per the policy. The last day of a round finishes on a Sunday and should not clash with any other important club fixture. All matches are played off the Tee of the day.

Both players/teams are responsible for contacting the other and are expected to offer 3 acceptable dates, minimum of one weekend and one weekday should be offered. Players are encouraged to make contact as soon as possible.

If for any reason a mutually convenient date cannot be arranged, the player/team available and on the tee to play at 12 noon on the deadline date of the round shall be entitled to a walkover.

If a match is not completed by the stipulated date and a result is not entered on the draw sheet, both/all players shall be disqualified.

No extension to the deadline date for playing a round shall be granted without a medical certificate or other genuine reason (with suitable evidence required).

Any such extension shall be agreed by the Competition Secretary.

In the event of extenuating circumstances that cannot be resolved by the players in conjunction with the Competition Secretary the issue will be decided by the Committee whose decision shall be final.

Appendix 4

Winter & Summer Eclectic Policy

Sign up via IG at the start of the relevant Eclectic series (winter or summer) and will remain open for 1 month.

Players must **sign up** online with payment taken.

There is no limit to the number of qualifying competitions a player can enter for their eclectic score during the relevant series.

Appendix 5

Hole in One Policy

6th June 2017 – The Ladies Committee agreed a new Hole in One Policy as follows;

1. Player is required to record the Hole in One on their card and have this witnessed by a playing partner who must be a member.
2. The competition must be an organised club competition but not necessarily a qualifier (i.e. fun competitions such as 666 or 4BBB or Spring/Autumn Meetings are acceptable) but not in a Matchplay competition.
3. The player must inform the office and a member of the Ladies Committee (preferably the Competition Secretary) on the day.
4. The Ladies Competition Secretary shall be responsible for ensuring that club records are updated (minute at next committee meeting & arrange for office to update board).
5. Retrospective claims for Hole in One to be added to the board will only be accepted if solid evidence of the above conditions being met can be produced within 1 year of the event.
