

Following the ongoing restrictions and likelihood that we will not be able to return to the use of the PSI (Touchscreen terminals) in the Clubhouse the following policy has been set out by the Captains Committee with regard to the correct procedure to validate a competition score:

- 1 / Sign Up for a competition (up to three weeks in advance) via the Intelligent Golf software or APP.
- 2/ Your entry fee will be deducted from your members account at time of entry.
- 3/ In any pair or team event ONE member will be charged to pay for the team.
- 4/ On the day of the competition you will be required to pre-register before commencing your round – this is illustrated **below** on the updated app -
- 5/ Mark your own scorecard, but record your verifiers score in the markers score column to cross reference at the end of your completed round.
- 6/ Submit your score by uploading it through the IG App.
- 7/ All scores must be entered by 18:00. Any score uploaded after this time will not be counted for Competition result purposes.
- 8 / Any member who has difficulty in complying or completing any of the above steps please contact the Office in the first instance – 01208 863216 [enquiries@st-enodoc.co.uk](mailto:enquiries@st-enodoc.co.uk)
