

Easter Friday 'Fun Day'

What a great day for 23 of our St Enodoc Academy juniors, sunshine, catching up with friends, golf, Easter eggs and lots of laughter, I'd say that was a great start, to returning back to golf.

The first two groups out played an individual stableford and there were some great scores and I think there may be a few handicap reductions!

Alfie, Daisy and Quinn

Alfie 32pts

Daisy 35pts

Quinn 40pts

Thomas 43pts
Liam 37pts
Dante 38pts

Thomas, Liam and Dante

Fun, Texas Scramble.

The next three groups all played a fun Texas scramble and no I didn't give these cheeky chaps their eggs before they played, they were just too eager to tee off.

Harry, Joe and James.

Archie, Bobby and Bertie

Tom, Sam and Claude

Played 9 holes for their bands.

The next group played 9 holes which was towards their bands. Honey, Eva and Maggie have all gone on to the next band, well done girls. I have to just mention Olivia, who missed out by one point! This is amazing as I hear she had an unlucky start on the first hole but clearly it didn't put her off as she kept going, I'm glad I wasn't marking that card 🙄 Well done Olivia, for not giving up.

Honey, Olivia, Maggie and Eva.

Two holes is enough at the moment for our younger juniors, gotta keep them coming back for more!

Annabelle, Annabel, Eben and Ben.

Easter Eggs for everyone.

We all know its been tough time for everyone especially the younger ones, so its just nice for us to be able to finally get back out playing some golf. Having the sun as well, has to be a miracle, as unfortunately it does tend to rain when the juniors are due to play anything.

I would just like to say that all the juniors who played were so well behaved and respectful, not only on the course but off it too. I'd appreciate parents passing this on to their children and grandchildren. I'd also like to thank everyone, who walked around with a group to help this run so smoothly, unfortunately we do need you too, for this to work.

Upcoming information.

As you know Mark hasn't been able to do any coaching in groups, but as of the Saturday 17th April he can. The first coaching lesson will be on the course for some groups, well that's the plan for now anyway. Keep an eye on the WhatsApp group.

I am now organising the Chris Dymond Cup competition and hoping to play this in May, this is where one junior partners a lady member. I will also be organising the Cole Rayment and White Cup competition for sometime in July.

Some of you may not know but Charles Rayment is now our new incoming Captain taking over from Bob Cruse, so it would nice to get this one played whilst Charles is Captain. Unfortunately this cup seems to have been cancelled on so many occasions due to bad weather. Charles retired a few years ago from the estate agency but still plays a part in the competition and handing out of the cup to the winner.

Keep practising

Maria

Junior organiser.
