

Final Event for the CGU U12's mini tour of 2021.

The final mini tour for 2021 was held at Carlyon Bay on Sunday 22nd August.

This great event started up again in April and luckily all those involved with organising it, haven't had to cancel one of them this year due to covid.

It was held at five different courses throughout the year, starting at St Enodoc, then at Truro, St Austell, Merlin and finishing at Carlyon Bay.

Coaching in all areas is given to the juniors and after this they head out to play a competitive 9 holes.
Hcp s 0-54

We had three of our up and coming juniors who have been playing in this, Bobby Godfrey, Alfie Chapman and Thomas Richards. As you will see from the sheet below they all did extremely well, especially Bobby who came 2nd overall.

Well done to you all.
