

Junior Maxam Cup.

This is a foursomes medal competition with gross and handicap prizes for teams as well as the best gross pair and the best handicap pair. 3 Pairs make up a club team of 6 from which the best two foursomes scores are taken to form team aggregate totals. In the event of a tie, the aggregate of the two remaining scores shall be brought into account, and if at that stage the total scores are still tied, shall be decided on the last 9, 6 or 3 hole total of the three cards. If only two scores are available then the team with three scores will prevail.

Therefore it is possible for clubs who do not have 3 pairs, to enter 2 pairs and still have a chance of winning.
